Communication

Curbside Recycling Bernie Satterwhite said the curbside presentation scheduled for January 16 will be postponed. Instead City Council has asked for a Workshop to be given January 30. At that time four proposals will be given to Council by Joe Keene, with a recommendation for one. Bernie feels that it will be a presentation that can be sold.

Earth Day Meg said the next meeting will be Wed., January 18, at Whole Foods at 8:20 a.m.

Assisted Pickup The next date will be February 3, 2006.

Next meeting February 1, 2006
January 25, 2006 will be a special meeting to discuss the curbside recycling workshop.

Submitted by Guyleene Ebersole, Secretary
