Staff statements Not available

Curbside Recycling Kathryn reported the curbside flier included in the newsletter; we need 200 copies for Earth Day and 300 for City Hall, NDC, Public Works, Recycling Center, Library and Rec Center. First curbside letter to be put in the bin needs to be rewritten to include material Craig has and FAQs. Want to do a postcard campaign for rollout for rest of city. Charlotte Aguilar is willing to help put together video for Channel 16. Need to get info in Leisure Guide, Senior Activity Guide.

Earth Day Meg said Earth Day wanted to do postcards but can't afford them, so want to do signs. Mothers for Clean Air will do directional signs and a bus. Eric has reserved esplanade space; Meg needs help getting signs put out at 6 a.m. the morning of Earth Day. The recycling center booth will be set up at NDC; Craig will bring his tent and curbside fliers will be available. The kickoff party was cancelled.

Proud to Recycle Chris wants manned table at Horn Elementary.

Budget Need a budget for Earth Day and newsletters, education, 4th of July.

Grant Application Joe will ask City Council if we can apply.

Assisted Pickup The next date will be May 6, 2006. Elaine will continue to help out on Saturday. After curbside is fully implemented, assisted Saturday will probably cease.

Planning Meeting Our annual planning meeting will be April 12 at this location.

Next meeting May 3, 2006
