

December 6, 2006

Present:

Guyleene Ebersole

Craig Bello

Tami Sheena

Meg Healy

Pat Atkins

Todd Gross

Joe Keene

Gayle Davies

The meeting was called to order by Craig Bello, chair. Since Sarah, the Secretary is absent, the minutes of the last meeting will be reviewed next month.

Curbside recycling results are very encouraging, according to Joe Keene. Craig Bello, in driving around Bellaire, echoes the sentiment. The promotional items are progressing nicely. Pat has placed an ad looking for a family to feature, recycling, on the magnetic postcard. Tami has the proofs for the t-shirt, so we will be able to move ahead with those in time for events coming up.

Pat and Tami will finish their video education. Everyone else on the committee has completed theirs.

The newsletter for December went out, albeit without a header! But it was the first time for Guyleene to be editor; we hope it will improve as time goes on. Story ideas and articles are needed for the next newsletter.

We were unable to participate in Holiday in the Park this year; however, it was very cold and we would not have gotten much of a response. Bonnie Parker's husband is very sick, so she was unable to get us a booth.

We will be looking for a replacement event, perhaps Little League Sign-up day. We will be having a booth at the Spring Fling scheduled for 4/14/07. We are also working on developing both a school and a seniors program.

We will continue assisted Saturdays through the first quarter of 2007; the next assisted Saturday will be January 6th.

The next meeting will be January 3, 2007.

The meeting was adjourned.

Respectfully submitted,

Guyleene Ebersole December meeting
